EXPERIENCE

Pi & Beads Academy Nigeria Ltd. Benin City, Nigeria
Technical Support Assistant *Jan. 2024 – Present*

- Managed 100+ IT support tickets covering hardware, software, and network issues to maintain system uptime — achieving a 90% satisfaction rate by applying structured troubleshooting protocols and clear end-user communication.
- Deployed a scheduled hardware maintenance protocol across all company devices to prevent unplanned downtime, extending equipment lifespan by 40% through proactive inspections and documented repair procedures.
- Configured and deployed new computer systems and user accounts to support business operations, improving infrastructure reliability and boosting team efficiency by 30%.
- Maintained a real-time hardware inventory system to enable accurate procurement decisions and reduce repair delays across the organization.

BookSmarts Accounting LLC / BYU–Pathway Worldwide Remote
Bookkeeping Intern *Jan. 2026 – Mar. 2026*

- Applied QuickBooks Online (L1 & L2) and Intuit Bookkeeping tools to manage and reconcile financial records for multiple clients, ensuring accuracy and compliance with professional accounting standards.
- Collaborated with a distributed remote team to meet weekly deliverable deadlines, leveraging structured workflows and strong attention to detail developed through the BYU–Pathway internship framework.

Divine Pattern High School Benin City, Nigeria
IT & STEM Facilitator *Jul. 2023 – Dec. 2024*

- Introduced coding to 200+ students using Scratch and LEGO robotics automation to build foundational programming and data organization skills — 80% demonstrated proficiency by semester's end.
- Designed and delivered an Abacus arithmetic curriculum to strengthen mental computation, improving student arithmetic speed and accuracy by 25% across multiple class levels.

Nigeria Benin City Mission – Church of Jesus Christ of Latter-day Saints Nigeria
Full-Time Missionary & District Leader *Jun. 2021 – Jun. 2023*

- Coordinated and led outreach programs across multiple districts to increase community engagement by 10%, applying project planning, scheduling, and team leadership skills in a high-accountability environment.
- Trained and mentored team members in professional communication and conflict resolution, improving operational effectiveness by 20% across all assigned districts.
